

Id	Test case
1	Select black coffee option and verify that only black coffee is dispensed
2	Select cappuccino option and verify that only cappuccino is dispensed
3	Select latte option and verify that only latte is dispensed
4	Select espresso option and verify that only espresso is dispensed
5	Select hot water option and verify that only hot water is dispensed
6	Select hot milk option and verify that only hot milk is dispensed
7	Select black coffee with extra sugar and verify that black coffee with extra sugar is dispensed
8	Select cappuccino with extra foam and verify that cappuccino with extra foam is dispensed
9	Select latte with extra syrup and verify that latte with extra syrup is dispensed
10	Select espresso with extra shot and verify that espresso with extra shot is dispensed
11	Select black coffee with low-fat milk and verify that black coffee with low-fat milk is dispensed
12	Select cappuccino with almond milk and verify that cappuccino with almond milk is dispensed
13	Select latte with soy milk and verify that latte with soy milk is dispensed
14	Select espresso with coconut milk and verify that espresso with coconut milk is dispensed
15	Select black coffee with no sugar and verify that black coffee with no sugar is dispensed
16	Select cappuccino with no foam and verify that cappuccino with no foam is dispensed
17	Select latte with no syrup and verify that latte with no syrup is dispensed
18	Select espresso with no shot and verify that espresso with no shot is dispensed
19	Select hot water with added lemon and verify that hot water with added lemon is dispensed
20	Select hot milk with added cinnamon and verify that hot milk with added cinnamon is dispensed
21	Select black coffee with added chocolate and verify that black coffee with added chocolate is dispensed
22	Select cappuccino with added vanilla and verify that cappuccino with added vanilla is dispensed
23	Select latte with added hazelnut and verify that latte with added hazelnut is dispensed
24	Select espresso with added peppermint and verify that espresso with added peppermint is dispensed
25	Select black coffee with added honey and verify that black coffee with added honey is dispensed
26	Select cappuccino with added caramel and verify that cappuccino with added caramel is dispensed
27	Select latte with added ginger and verify that latte with added ginger is dispensed
28	Select espresso with added lavender and verify that espresso with added lavender is dispensed
29	Select black coffee with added coconut oil and verify that black coffee with added coconut oil is dispensed
30	Select cappuccino with added ghee and verify that cappuccino with added ghee is dispensed
31	Select latte with added almond butter and verify that latte with added almond butter is dispensed
32	Select espresso with added macadamia nut oil and verify that espresso with added macadamia nut oil is dispensed
33	Select black coffee with added collagen and verify that black coffee with added collagen is dispensed
34	Select cappuccino with added MCT oil and verify that cappuccino with added MCT oil is dispensed
35	Select latte with added protein powder and verify that latte with added protein powder is dispensed

36	Select espresso with added green tea extract and verify that espresso with added green tea extract is dispensed
37	Select black coffee with added turmeric and verify that black coffee with added turmeric is
39	Select cappuccino with added matcha and verify that cappuccino with added matcha is dispensed
40	Select latte with added chai spice and verify that latte with added chai spice is dispensed
41	Select espresso with added cinnamon and verify that espresso with added cinnamon is dispensed
42	Select black coffee with added ginger and verify that black coffee with added ginger is dispensed
43	Select cappuccino with added cardamom and verify that cappuccino with added cardamom is dispensed
44	Select latte with added nutmeg and verify that latte with added nutmeg is dispensed
45	Select espresso with added cloves and verify that espresso with added cloves is dispensed
46	Select black coffee with added allspice and verify that black coffee with added allspice is dispensed
47	Select cappuccino with added anise and verify that cappuccino with added anise is dispensed
48	Select latte with added star anise and verify that latte with added star anise is dispensed
49	Select espresso with added fennel and verify that espresso with added fennel is dispensed
50	Select black coffee with added coriander and verify that black coffee with added coriander is dispensed
51	Select cappuccino with added cumin and verify that cappuccino with added cumin is dispensed
52	Select latte with added caraway and verify that latte with added caraway is dispensed
53	Select espresso with added juniper and verify that espresso with added juniper is dispensed
54	Select black coffee with added lavender and verify that black coffee with added lavender is dispensed
55	Select cappuccino with added rose and verify that cappuccino with added rose is dispensed
56	Select latte with added vanilla and verify that latte with added vanilla is dispensed
57	Select espresso with added orange and verify that espresso with added orange is dispensed
58	Select black coffee with added peppermint and verify that black coffee with added peppermint is dispensed
59	Select cappuccino with added lemon and verify that cappuccino with added lemon is dispensed
60	Select latte with added lime and verify that latte with added lime is dispensed
61	Select espresso with added grapefruit and verify that espresso with added grapefruit is dispensed
62	Select black coffee with added mint and verify that black coffee with added mint is dispensed
63	Select cappuccino with added basil and verify that cappuccino with added basil is dispensed
64	Select latte with added rosemary and verify that latte with added rosemary is dispensed
65	Select espresso with added thyme and verify that espresso with added thyme is dispensed
66	Select black coffee with added oregano and verify that black coffee with added oregano is dispensed
67	Select cappuccino with added sage and verify that cappuccino with added sage is dispensed
68	Select latte with added marjoram and verify that latte with added marjoram is dispensed
69	Select espresso with added cilantro and verify that espresso with added cilantro is dispensed
70	Select black coffee with added parsley and verify that black coffee with added parsley is dispensed
71	Select cappuccino with added dill and verify that cappuccino with added dill is dispensed
72	Select latte with added tarragon and verify that latte with added tarragon is dispensed

73	Select espresso with added chives and verify that espresso with added chives is dispensed
74	Select black coffee with added mint and verify that black coffee with added mint is dispensed
76	Select cappuccino with added lavender and verify that cappuccino with added lavender is dispensed
77	Select latte with added rose and verify that latte with added rose is dispensed
78	Select espresso with added vanilla and verify that espresso with added vanilla is dispensed
79	Select black coffee with added honey and verify that black coffee with added honey is dispensed
80	Select cappuccino with added maple syrup and verify that cappuccino with added maple syrup is dispensed
81	Select latte with added agave and verify that latte with added agave is dispensed
82	Select espresso with added date syrup and verify that espresso with added date syrup is dispensed
83	Select black coffee with added coconut sugar and verify that black coffee with added coconut sugar is dispensed
84	Select cappuccino with added brown sugar and verify that cappuccino with added brown sugar is dispensed
85	Select latte with added raw sugar and verify that latte with added raw sugar is dispensed
86	Select espresso with added stevia and verify that espresso with added stevia is dispensed
87	Select black coffee with added monk fruit and verify that black coffee with added monk fruit is dispensed
88	Select cappuccino with added xylitol and verify that cappuccino with added xylitol is dispensed
89	Select latte with added erythritol and verify that latte with added erythritol is dispensed
90	Select espresso with added yacon syrup and verify that espresso with added yacon syrup is dispensed
91	Select black coffee with added sucanat and verify that black coffee with added sucanat is dispensed
92	Select cappuccino with added honey crystals and verify that cappuccino with added honey crystals is dispensed
93	Select latte with added vanilla crystals and verify that latte with added vanilla crystals is dispensed
94	Select espresso with added maple crystals and verify that espresso with added maple crystals is dispensed
95	Select black coffee with added cinnamon crystals and verify that black coffee with added cinnamon crystals is dispensed
96	Select cappuccino with added ginger crystals and verify that cappuccino with added ginger crystals is dispensed
97	Select latte with added cardamom crystals and verify that latte with added cardamom crystals is dispensed
98	Select espresso with added nutmeg crystals and verify that espresso with added nutmeg crystals is dispensed
99	Select black coffee with added allspice crystals and verify that black coffee with added allspice crystals is dispensed
100	Select cappuccino with added anise crystals and verify that cappuccino with added anise crystals is dispensed
101	Select latte with added star anise crystals and verify that latte with added star anise crystals is dispensed
102	Select espresso with added fennel crystals and verify that espresso with added fennel crystals is dispensed.
